

JAS Musicals - Instrument Hire Terms and Conditions

These terms apply to all instrument hires from JAS Musicals unless agreed otherwise in writing.

1. Hire Period

The hire starts on the hire start date and ends on the return date shown on the hire record or customer message. The instrument must be returned to JAS Musicals by close of business on the agreed return date.

2. Hire Charges and VAT

The hire cost is charged for the agreed hire period. VAT at 20% is added to the hire cost where applicable. If the instrument is kept after the agreed return date, the daily late return charge shown on the hire record may apply for each additional day until the instrument is returned.

3. Security Deposit

A security deposit may be taken before the instrument is released. The deposit is held against loss, damage, cleaning, missing accessories, late return charges, unpaid hire charges, and any other costs caused by breach of these terms.

4. Card Payment Deduction

Where the security deposit is paid by card, JAS Musicals may deduct a card processing charge of 1.5% from the security deposit before calculating any return amount.

5. Return Amount

The estimated return amount is calculated as: security deposit minus hire cost including VAT, minus any card processing charge where applicable, minus any extra charges. If the deductions exceed the deposit, the customer remains responsible for the outstanding balance.

6. Customer Responsibility

The customer is responsible for keeping the instrument safe, clean, and in good condition during the hire. The instrument must not be altered, repaired, loaned, sold, pledged, or transferred to another person without written approval from JAS Musicals.

7. Loss, Damage, and Missing Items

The customer must report loss, theft, damage, or missing accessories immediately. JAS Musicals may charge the customer for repair, replacement, cleaning, or loss of use. These charges may be deducted from the security deposit or invoiced separately.

8. Return Condition

The instrument and all supplied accessories must be returned in the same condition as supplied, allowing for fair wear and tear. JAS Musicals will inspect the instrument after return before confirming the final return amount.

9. Cancellations and Extensions

Hire extensions are subject to availability and must be agreed before the return date. Additional hire charges may apply. If no extension is agreed, late return charges may apply after the return date.

10. Identification and Contact Details

The customer must provide accurate contact details and may be asked for identification. JAS Musicals may use the provided phone number or email address to send hire confirmations, reminders, and important hire updates.

11. Liability

JAS Musicals is not responsible for indirect losses or costs arising from use or unavailability of the hired instrument, except where liability cannot legally be excluded.

12. Agreement

By taking the instrument on hire, the customer confirms that they have read, understood, and accepted these terms and conditions.
